*(Make up classes will be available beginning in April for any classes missed due to holidays and snow days.)*

### **Halloween Week** (Tuesday, October 25 – Monday, October 31)

Students may wear Halloween costumes (that they can move in!) to dance all this week.

### **Payment Reminders . . .**

**Classes:** the next payment is due the first class in October. \*

Monthly payments are always the same. If students miss a class due to illness, injury, or any other unexpected event, we welcome and encourage them to attend a make up class. If an injury requires an extended period of healing time, we strongly recommend that the student come in and watch the class in order to keep up with the dance vocabulary and recital choreography.

**Costumes:** the first installment payment (\$50/costume) is due the week of October 3-7. Saturday class payments are due October 15, as a result of the Columbus Day holiday. The remaining balances are due the week of January 3-9. \*

Installments become non-refundable as of November 1<sup>st</sup>, when the costumes are ordered. Costumes are paid in installments for your convenience; however, placing an order constitutes full commitment. See the attached sheet for specific class costume deposit totals.

\***Late fees:** A \$20.00 per month late fee will be added to the outstanding balance on the account if payments are not received by the end of the payment week.

### Costume Collection

Don't know what to do with your old costumes? Consider donating them!  
 We will be collecting costumes (clean and in good condition) at the studio during the first 2 weeks of October – and then we will distribute them to schools and children's programs in the area.

Past recipients include Special Olympics, The Children's Room, and The Arlington Center for the Arts Children's Theater, and public school special needs programs.
